BEHIND THE NAME:

What name could possibly match the intensity of our Double IPA's bold, tropical hop aromas? We took our inspiration from Lake Erie's surfers who brave choppy, often frigid waters in pursuit of the perfect Great Lakes wave. See? You really can surf in Cleveland.

ABOUT THE STYLE:

A distinctly American style, Double IPAs or Imperial IPAs are known for their pronounced hop flavor, aroma, and bitterness. Double IPAs generally have medium-high to high alcohol content, and a heavier body. Think of a traditional American IPA, with even more emphasis on hops, and a greater all-around intensity.
