### AMBER LAGER

Admittedly, it's a bit of a paradox to name our Amber Lager for history's most famous agent of prohibition. But it's a smooth, malty (and dare we say, arresting?) paradox.

**BEHIND THE NAME:**

Need more evidence of our Eliot Ness connection? We've placed a shorthand tribute to co-owners Pat and Dan Conway's mother (Ness' stenographer) in our label artwork. Here's another clue: visit our brewpub to investigate Ness' legendary bullet hole above our bar. Case closed.

**ABOUT THE STYLE:**

Brewer Anton Dreher perfected his Vienna-Style Lager around 1841. Our take includes the style-appropriate toasty and complex but clean malt profile, and minimal floral, spicy hop aromas and flavors. Slightly sweet, bready maltiness is the key characteristic of this easy-drinking, amber-colored Lager.
